DEATH OF BENRY NEIMER. He Kept the Resisurant at Water and Orange

streets for 25 Years. Henry Neimer, sge 1 72 years, a wellknown citizen of Lancaster, died last night, after a brief lliness. Deceased was a native of Germany, and came to this country when a young man. After working among the farmers for some time he secured a position as hostler at the Black Horse hotel, which he kept until he went into the business for

himself at the corner of Water and Orange streets. He purchased that property about 25 years ago, and has kept a restaurant there all these years. His record as a saloon-keeper is a clean one, for during that time he was never complained sgainst for violating the law. He was a member of St. Joseph's Catholic church and of the banficial societies connected with it. He leaves a wife, two sons and three daughters, and a large circle of friends to mourn his death. His sons are Joseph and Benjamin, and his daughters Mrs. Andrew Shay, Mrs. William Scheurenbrand and Mrs. John Flannerd.

Charged With Stening a home. John Baustard has been arrested and held by Alderman A. F. Donnelly on the charge of stealing a horse from Michael Boos, residing on Market street. The latter alleges that Baustard came to his house yesterday and whipped the boy who was bitching up a horse. He then took the animal away and placed it in his own yard.

A warrant was issued for his arrest and given to Officer Merringer. When the officer found him he was drunk and stoutly resisted. Merringer finally succeeded in linding him in the station house and today he gave ball for a hearing. The horse is valued at \$25.

There appears to be another side to the ory. John Baustard appeared before Alderman Deen this afternoon and brought puit for felonious assault and battery against Michael Boas and his son Peter Boas, and common assault and battery on Annie Baustard, Mi thael Baustard, a daughter. Complainant's story is that he bought a borse and loaned it to Michael Boss, and Boss afterwards claimed it is his property. Baus-tard went for his horse yestorday when he was assaulted with a pitchfork by Michael Boss, and Peter Boss drew a big knife on him, and also kicked Aunia B.u tard in the stomach. THE TARIFF OFF.

In these days of tariff argument we wish to say a word on so interesting a subject. To reduce first cost is the object of every one, by their theory Free Frade or Protection. Especially is this so on wearing appears!. We favor the policy that protects your pocketbook. If you can save a dollar or two on your winter clock it means just that much more you have to spend for something else you may want.

If you will look over our Price List and then come and look at our gar nents, we believe you will see the point we are trying to make, that we have taken the tariff off and at the same time given you the highest form of protection.

A purchase of Blankets in the early part of the Summer proved to be a most fortunate transaction for us as well as our customers. A manufacturer needed the money; we the Blankets. The lot was too large for us, but an active reaching firm came to our rescue, and between us the stock was divided. An inspection of these Blankets will prove the greatest values ever offered.

What do you think of an every Thread Wool Blanket 11-4 in size, extra weight, for \$5 a pair. Some call a Blanket with cotton warp all wool. We don't. The next grade, of which we made an error in not purchasing the entire lot, instead of dividing, has a cotton warp with wool filling, 11-4 in size, weighs seven pounds, price \$4.12 a pair. This Blanket we will only compare with the \$5 a pair Blankets found elsewhere. Colored and Scarlet Blankets among the bargains. Comforts of our own make in

what is inside. No shoddy. In the China Department Excelsior Cooking Crooks at 30c for all sizes are still on sale. Philadelphia stores are asking double same.
